Dear Parishioners and Friends of St. John's

On Sunday, May 21, 2017 a special Parish meeting was held to discuss the replacement of the deteriorating air conditioning units in the church. The original units were installed forty-five years ago. With the approval of the parish body present, the contract was awarded to John Bagnato/APM, Pittston, PA. The bid of \$9,800.00 will replace 2 outdoor 7.5 ton air conditioning condensing units.

With the generous support of our Parishioners and Friends we will be able to pay for this without depleting the parish Fundraising account. Donations or pledges can be given to any Parish Council member, or mailed to the Church. A donation/pledge form is attached or available.

The units have been ordered and are expected to be installed within the next two weeks.

The Parish Council thanks you in advance for your cooperation, support, and generosity.

Sincerely,  
On behalf of the Parish Council

Archpriest George Volkovinsky  
Rector, St. John's
